

KIMMS QAP Online Data Entry and Reporting

The KIMMS QAP department will soon be releasing online facilities for both data entry and reporting. As a participant prerequisite please ensure your computer will be able to access the KIMMS QAP's secure server. This shall require your IT department to be informed about the following information:

Access is required to <https://kimms.rcpaqap.com.au>
(203.189.94.110) on ports **49252** and **49253**.
Please Contact helpdesk@rcpaqap.com.au
for further information
